PSSA PARENT SUPPORT STRATEGIES

Preparing for Testing

• Note test dates on your home calendar; schedule appointments on non-testing days.

Testing Day

- See that your child is rested and eats breakfast.
- See that your child arrives at school on time **BY 8:25** and is relaxed.
- Encourage your child to do the best work possible.
- Do not send your child to school if illness is apparent...**FEVER AND/OR VOMITING.**

Parent Strategies for Reducing Test Anxiety

- Discuss the test openly and in a positive way.
- Have realistic expectations of your child's performance while encouraging his/her best efforts.
- Emphasize that the test is only one measure of academic performance.
- Emphasize that test scores do not determine a person's worth.
