RE: Coronavirus

Dear Parents/Guardians:

In the event that the Old Forge School District was forced to close due to governmental or medically necessary quarantine for the Coronavirus, the following steps have been put in place to guarantee the continuation of education for our students.

1. Information regarding school closure would be broadcast via OneCall and social media.
2. All students would be required to take all textbooks, workbooks, and journals home from school.
3. All teachers have prepared ten (10) days of lesson plans for students to be sent home if quarantine was necessary.
 - a. Questions or concerns during school closure could be directed to teachers through Dojo at the Elementary School and Gmail at the Jr/Sr High School.
4. If closure was necessary beyond ten (10) school days, teachers would give additional assignments through Dojo at the Elementary School and Gmail at the Jr/Sr High School.
 - a. Students without computer technology at home would be contacted by telephone, or OneCall.
 - b. For families without computer and/or internet capabilities, we ask that you complete the attached form and return it to your homeroom teacher immediately.
5. Students would be expected to build a portfolio of all work completed at home, so it could be properly reviewed and corrected by the classroom teacher upon return to school.

At present, this is simply our approach to be proactive and prepared if a school closure was required. The District will continue to correspond with all parents/ guardians as further developments occur regarding the Coronavirus. Please visit our webpage for additional resources and materials on the Coronavirus at <https://ofsd.cc/corona-virus-information/>.

Respectfully,

Erin Keating, Ed.D.
Superintendent

Christopher J. Gatto
High School Principal

Michelle Hopkins
Special Education Supervisor

Shelly Egan
Elementary Principal
