

## OLD FORGE SCHOOL DISTRICT 2020-2021 HYBRID/ONLINE REGISTRATION

The Old Forge School District has presented the Health and Safety Plan regarding school reopening for the 2020-2021 school year. At the current time and until further notice, the OFSD will operate a hybrid learning format or a fully online learning platform.

**Hybrid Learning Format:** Only half (½) the population of each building will report for physical, onsite instruction on designated days. Attendance and classwork is mandatory. Siblings will be scheduled on the same days for the elementary and high school.

*Schedule A:* Students report on Mondays and Wednesdays. Students not in school may log on for a livestream into the classroom. Fridays may be virtual for all students.

*Schedule B:* Students report on Tuesdays and Thursdays. Students not in school may log on for a livestream into the classroom. Fridays may be virtual for all students.

*Kindergarten:* Kindergarten students may report every day, but we will operate on an AM or PM schedule. The AM schedule will be from 8:25-11:05 and the PM schedule will be from 12:15-2:50. In addition, if your kindergarten child needs to take the bus, busing would only be provided for the AM arrival to school or the PM dismissal from school.

**Fully Online Learning Platform:** For parents and students choosing to complete all instruction online, OFSD will offer a full virtual platform. Details concerning that platform will be provided within the next few weeks.

Based on the above information, we need to confirm your child(ren)’s registration for the upcoming school year. Please take a few minutes to complete the following information as confirmation of their registration for the upcoming school year. ***Please list any special requests due to work schedule, childcare, or transportation in the comments section of this form. We will do our best to honor all requests, but we need to be mindful of maintaining strict class sizes.***
