

Old Forge School District

Vestibule Project Bid Description

The Old Forge School District is in need of the construction of two visitor vestibules; one in the Elementary School and one in the High School. These vestibules should:

- Be constructed to safely separate visitors from the student and staff population
- Allow for visitor/staff safe and protected communication
- Include a mechanism to safely exchange items between visitors and staff
- Be handicap accessible
- Include a visitor seating area
- Include glass, where applicable at a minimum of 3/8 inch thickness, but ½ inch preferred
