MARCH 2021

Purpose:

The Board recognizes that parent and family engagement contribute to the achievement of state academic standards by students participating in Title I programs. This policy, developed by Old Forge Elementary School in collaboration with and agreed to by parents and family members, describes how parents and family members will be engaged at the school level.

Responsibilities:

The school complies with federal law related to the engagement of parents and family members by detailing how the school will:

1. Involve parents and family members in the planning, review and improvement of the school's Parent and Family Engagement Policy:
 - A parent and family engagement policy meeting occur annually during the fall semester. All Title I parents are invited and encouraged to attend. During this meeting, all parts of the policy are reviewed with the parents and suggestions for improvements can be made at this time. Parents who cannot attend receive a packet of information that includes the current policy and a survey that will give the parents an opportunity to offer suggestions for improvement.
 - Suggestions for additional planning and improvement can be documented on the annual survey that is sent home to parents of Title I students. These suggestions are documented and included in the working policy.
 - An additional parent and family engagement meeting is planned for the spring semester of the school year. This meeting offers family members the opportunity to help plan and review policy for next school year and make suggestions for changes and improvements in this policy. Those parents unable to attend are given the same opportunity to respond and offer their input.
2. Convene an annual meeting, at which:
 - All parents and family members of participating Title I students shall be invited and encouraged to attend.
 - Parents and family members will be informed of the purpose and goals of the Title I program.
 - Topics of discussion include program selection and exit criteria, core curriculum and assessments, the State's academic content standards, the State's student academic achievement standards, the State and local academic assessments including alternate assessments, how to monitor their child's progress, and how to work with educators.
 - The requirements and the rights of parents and family members to be involved are explained.
3. Provide opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions:
 - Old Forge Elementary School provides opportunities for regular meetings to formulate suggestions and to participate in decisions relating to the education of their children. These opportunities occur

throughout the year through Back to School Night meetings, Title I Annual Meeting, surveys, Parent/Teacher Conferences, and the Spring Information Sessions.

- The Administration and Title I staff will be present at these meetings to discuss their child's progress and provide strategies to improve achievement.
4. Create a school-parent and family compact developed with parents and family members outlining how parents and family members, school staff, and students will share in the responsibility for improved student academic achievement and the means by which the school and the parents and family members will build and develop partnerships to help children achieve the state's academic standards.
